NATUROPATHIC MEDICINE, CLASSICAL CHINESE MEDICINE, AND NUTRITION CONSENT TO ESTABLISH CARE

Informed consent is a process, not a form, and involves an ongoing, interactive dialog between you and your provider. The process of informed consent occurs when communication between you and your provider results in your authorization or agreement to undergo a specific medical intervention.

I do hereby give my consent to services rendered and provided to me (or the patient named below, for whom I am legally responsible) as a patient of the National University of Natural Medicine (NUNM) Health Centers. I understand that patient care is directed by licensed health care providers who are employees of NUNM. I consent to services rendered to me under the instructions of these professionals, as well as volunteer staff physicians who may be associated for the purpose of consulting.

I recognize that NUNM is a teaching institution. I agree that persons who are students and resident physicians will participate in my care as part of the educational programs of the institution. I hereby request and consent to examination and treatment with the providers, students, and affiliated providers at NUNM Health Centers.

I understand I have the right to ask questions and discuss to my satisfaction with the above mentioned providers and/or students:

- The nature, purpose, goals, and potential benefits of the proposed care
- The inherent risks, complications, potential hazards, and/or side effects of treatment or procedure

- Reasonable available alternatives to the proposed treatment procedure
- Potential consequences if treatment or advice is not followed and/or nothing is done

FINANCIAL POLICY

At NUNM our policy is to collect payment for all services rendered at the time of service. Patients who are not able to pay or who have not made arrangements with our billing office may be required to reschedule their appointment. Patients may also receive a bill for additional services rendered, such as in-house labs and procedures ordered during an office visit, if the insurance company adjusts the bill, or if new information is acquired bringing about new charges. These bills are non-negotiable.

FOR ALL PATIENTS:

- There will be a flat fee of \$20 for any appointment that is either missed or not canceled within 24 hours of the appointment time.
- You acknowledge that you are financially responsible for all charges. Any account over 120 days old will be sent to collections. If it becomes necessary to effect collections of any amount owed on this or subsequent visits, the undersigned agrees to pay for all costs and expenses, including reasonable attorney fees. You hereby authorize the NUNM Health Centers to release information necessary to secure payment.
- You are responsible as the patient or patient's guarantor for full payment of services rendered at the time of service, including Medication, lab work, and tests, as well as any physician ordered add-on lab work and tests.
- Refund Policy: We will issue a refund of any credit on an account 30 days from the issue of the credit to the account. Refunds are issued by check and mailed to the address on the guarantor account.

TIME OF SERVICE AND OTHER DISCOUNTS:

- If you apply and qualify for any discounts, you are responsible for providing accurate information for all required documentation within 30 days.
- As a courtesy of paying in full at the time of service, you will receive medical services at a discounted rate. If you do not pay at the time of service your account will not reflect a time of service discount.
- Discounts through our Compassionate Care program may be extended to you based upon the gross annual income information you provide.

IF YOU ARE INSURED:

- You authorize release of information in your medical history to your insurance carrier and assign all benefits for unpaid services to the NUNM Health Centers. This release applies to support of the insurance billing process only.
- The pre-verification by NUNM of your health insurance is used to determine if there is coverage for services through your insurance and is NOT a guarantee of payment by your insurance.
- You are responsible for providing all accurate and thorough documentation required to verify your insurance coverage and / or bill your insurance carrier.
- You understand that the NUNM Health Centers can require proof of insurance at any time and that your insurance may need to be re-verified for specific coverage details as often as every 6 months, if there is a denial of a claim, or if you have a change in coverage.
- You are responsible for full payment of all insurance co-pays, deductibles, and co-insurance balances due, including any and all services not covered or paid by your insurance carrier at the time of service.
- You are responsible for payment even if your insurance company makes a determination that the care received was not medically necessary.
